Dear members and friends of the congregation,

Burr Ridge Community Church is excited to announce the launch of our capital campaign, Rally Sunday Capital Campaign, beginning Sunday, September 11 and ending September 25! We have set a goal of \$20,000, with the first \$10,000 being matched dollar for dollar by a generous donor.

As a community church, we are excited to see all of the ways our congregation has developed into a strong community partner for those in times of need. Our church has become more than Sunday mornings and serves as a haven for recovery groups and community groups alike. The number of people that our congregation serves has grown exponentially as we continue to grow in mind, body and spirit. However, we count the success of our church by the number of people we serve.

In May, the air conditioner that cools the offices and classroom died. Due to the urgency of this matter, the council voted to take the funds out of our reserves to pay to replace the unit. The cost of the unit was \$11,463.

To continue the operation and beautification of the church as well as the preservation of our recent projects, we are raising funds for the following projects:

- Replacement of Corner Sign: \$7,000
- Interior Projects (Lounge Updates): \$2,000
- Organ Repairs: \$3,500

These projects will allow us to continue the work we have been doing while also creating space for new ministries and community partnerships.

Here are the ways that you can make a donation:

- Make a donation online at brucc.org/onlinegiving and designate "Giving Challenge"
- Send a check in the pre-stamped envelope we've included
- Bring an envelope marked "Rally Sunday Giving Challenge" with you on Sunday morning!

Your ongoing support of the mission and ministries of Burr Ridge Community Church is deeply appreciated. If you have any questions or want more details about this fundraising effort, please contact Hannah Sundwall or Bill Sanford.

Thank you for your generosity and support of Burr Ridge Community Church!

Blessings,

Hannah Sundwall
